You will need a Carver County Library card to order and access your material from the Cologne Express Library. Library materials may be returned 24/7 at the book return receptacle on the south side of the Cologne Community Center (CCC) parking lot.

The **Cologne Express Library card will provide extended access** to the library lockers located in the south vestibule of the CCC. This access authorizes you or a family member to retrieve your library material. It does not authorize access to any other part of the CCC. If the card is used in other parts of the facility the card holder may lose access privileges and be assessed additional usage/damage charges resulting from use of the card. The CCC has 24 hour digital video monitoring at its facility.

Please report a lost card or change of address immediately. The initial card is free; a replacement card is \$15.

As evidenced by my signature I understand the rules and responsibilities of the Cologne, Express Library card.
